Dearest Children,

Thank you so much for making 1981 such a good year for me (and for my "mom," Katie Davis). I was so proud when 2 of you first Keystone homebreds finished: KEYSTONE CAPER OF SPINDRIFT (x Spindrift Molly Stark), with 4 majors including BOB at Scottsdale over specials at age 8 months (see photo), and KEYSTONE MISTER MOUSE (x Ch. Nightcoach Endless Energy, "Wiz"). "Mouse" is handled exclusively by Eileen Lane, and finished at San Fernando in May, going BOB and Group IV. "Wiz" finished this summer also. You other kids out of her sparkled too in '81. KEYSTONE'S JET MARAUDER and KEYSTONE KINETIC are both pointed, KEYSTONE SUPER SPARK has 2 legs on his C.D., and, in October, KEYSTONE ENER-JETIC whelped 5 puppies by Ch. Spindrift Sarahtoga, all of which I am confident will be a credit to our family's name in 1982. Thanks again!

Love from your dad, "Chips"

Going To Breed Your Bitch?

We have the red raspberry leaves in powder form — imported from Germany from unsprayed, certified fields. Red raspberry leaves contain fragrine. If your bitch has a vaginal or uterine infection, she may skip a season, neutralize the sperm, reabsorb the fetus, or abort. Fragrine helps to prevent this. It also brings fluid to the birth canal preventing dry painful births. Fragrine is also a muscle toner to help to tighten up the muscles after weaning. The powder form is easy to use. (No need to brew up as with a tea.) Just sprinkle the powder in the food. Use 1/8 teaspoon per 15 pounds of dog per day.

4 ounces of Solid Gold Red Raspberry Leaves for \$4.30 plus \$1.50 to ship. Calif. add sales tax.
