The Schipperke Club of Southern California dedicates our April 9, 2013 specialty show to

**Shirley Kornegay  
and  
Alberta Booth**

Shirley Kornegay

Shirley Kornegay was born in Gary, Indiana, and later became a long-time resident of San Diego County in California. Shirley was one of the first 1000 women to join the United States Marine Corps during World War II under the "Free a Marine to Fight" enlistment program for women instituted by President Franklin Roosevelt. Shirley met her husband Kenneth while both were stationed at MCRD-San Diego. They were married for 63 years.

Shirley was an avid dog lover and was the founder of the respected Jetstar Schipperke kennels. Shirley used to show and breed Boxers. After the last of the Boxers was gone, one day in 1963, Shirley and her daughter Joie went to Jet-O Kennels in Burbank, California and got their very first Schipperke puppy, Pierla of Jet-O, who later became a champion and also acquired a CD title. That was the start of Jetstar Schipperkes.

Shirley was instrumental in the formation of and was a founding member of the Schipperke Club of Southern California. Shirley and Joie bred and showed many, many top-winning Schipperkes that can be found behind the pedigrees of today's Schips. Joie is still active in the dog show world in Washington state in both Schipperkes and Chihuahuas.

Shirley passed away March 7, 2012 at the California Veterans Home in Chula Vista.

Alberta "Pat" Booth

Alberta, known as Pat to her friends, was involved in the world of purebred dogs starting in the 1940's, and her "Rayal" Chihuahuas were very well known and documented in the history of the breed in some of the older Chihuahua books. Her dogs are illustrated riding in a wagon in a couple of the Chihuahua books, and she was a very good trainer, being one of the first to put a UD on a Chihuahua.

She lived in Gardena, California for many years, and in the 60's/70's, after becoming friends with Roy and Carol Henre of Jet-O Schipperkes, she became interested in our breed and bred a couple of litters, one sired by the Henre's CH.Skipalong's Charcoal Kid, and another sired by CH. Guard All of Jet-O. Alberta was one of the original members of the Schipperke Club of Southern California.

Alberta eventually found that the Schipperkes were a bit rough on the more delicate Chihuahuas, so she placed her Schips, but never lost her love of the breed, and later became an AKC licensed judge and one of her first approved breeds were Schipperkes. Over the years Alberta judged many Schipperke specialties.

Alberta also loved Japanese Chins, and bred quite a few champion Chins in her later years, along with her many champion Chihuahuas. In the late 90's, Alberta retired from the world of dog shows, and moved to Las Vegas, where she continued to work as an artist for many years.

What she may be most well known for was her artwork. Alberta was a prolific figurine artist, and she also did portraits painted on locket, dinnerware, and tiles. Her work was signed with her initials "ABE" and to this day it is in high demand among collectors of high quality canine figurines, and she is listed in several books as a collectible dog figurine artist.

She had a distinct, detailed style, using ceramic slip which when finished, looked like fine porcelain. She made a mold from one of her originals, and then, once they were molded, she manipulated the figures when they were still wet, into all sorts of different positions before they were fired. Even though they were in theory "molded", they were all originals, and there are no two that are exactly alike. Alberta had a wonderful sense of humor, which was often reflected in her artwork, and her figurines were always anatomically correct, there was never any doubt which were the boys and which were the girls. She often placed them upon custom made bases of various shapes and sizes, the favorites being her hand painted "crazy quilts".

Her attention to detail and ability to capture the true character of the breeds she portrayed so well, make her figurines especially, treasures to all who are lucky enough to have them. Alberta made trophies for many Schipperke specialties over the years, and those trophies are highly valued now as collector's items. She worked with many other breeds as well, and was probably best known for her Chihuahuas, Chins and Corgi figurines, which can still be found from time to time on the internet being sold at premium prices.

Alberta passed away in late 2011 in Las Vegas. She truly loved the Schipperke breed, and that is why we dedicate our specialty to her.

## Schipperke Club of Southern California Judges

**Linda Sanders**  
Sweepstakes

In 1974 while home in Clinton, Iowa visiting my mother, Janette, we went to the Des Moines Kennel Club show where I had entered my Gordon Setter, Iowa. Watching the many breeds being shown, we happened upon the Schipperke ring and were enamored with the cute little fox-like dogs. Someone there told us there was a young bitch available somewhere near Chicago, so the next day we headed that way. We thought we should educate ourselves so we stopped at a pet store somewhere along the way to purchase a booklet about Schipperkes. We arrived at the pup's home, played with her a bit, looked at each other and said: "I don't think she's show quality, let's get her anyway!" She became, over time, Harmony Hills Wee Black Magic U.D.

In the meantime, Mom got another more show-bred bitch from Elfie Meyer (Elfe-Mir Schipperkes). The really exciting day came when Roetmop Flemish Fox arrived from Marj Kuyt in Canada. He was a beautiful boy! Mother obtained a bitch puppy from Belique's Kathy Freidt and the rest is history.

I used to join my mother at various places in the country where the SCA was holding the National Specialty and we had so much fun showing her dogs. That was many years ago. Mother went to be with the Lord four years ago, but her later years showing Schips up into her 80s, were glorious for her. I am honored to join you here in Las Vegas to evaluate your fine dogs.

### **Arley Hussin** Conformation & Junior Showmanship

I have been active in breeding, showing and judging dogs for about fifty years. I have bred Poodles, Brittanys, Golden Retrievers and Shepherds. My early years were spent in obedience. I put many obedience titles, including two UD's, on my Brittanys.

After showing and finishing many breeds, I received my all breed handlers license in 1964. I started judging dogs in 1977 and I have been lucky to have judged all over the world.

In my only appearance at a Golden National, I won Best of Breed at the 1971 National. The dog was CH Colacove Commando Di Sham. It was my biggest thrill in the dog show game.
