*** LANDMARK KENNEL ***

NETWORK--a group of people collectively cooperating together. The "N" word for the millenium. Experienced breeders mentoring the newcomers. Old timers sharing their knowledge and tips of the trade with other fellow breeders. Input from all sources regarding health related topics being shared for the protection and safety of our Schipperke breed. A cooperating group of individuals who can feel at ease in voicing their opinions in all matters as they relate to our canine pals. Respecting a fellow breeder's opinion even when we don't agree. Agreeing to disagree. Voicing one's own views without pressure from friends or peers. Swapping evaluations in a constructive manner of canine virtues and shortcomings. Keeping an open mind and eye while at the same time closing our mouths and ears to unjust criticisms. Listening to a peer regardless of experience level and digesting their concerns for our breed. Having "faith" and more "trust" in our fellow breeders. Setting good example at home and at shows in all areas of owning, training, breeding, selling, showing, and displaying good sportsmanship in our breed. Qualifying our opinions so others can better understand or relate with our concerns, yet at the same time not having to necessarily agree or disagree. Giving a fellow breeder his 'space' to make choices without criticisms. A part of a cooperating group who will let a person stretch and grow and try new breeding combinations that have not proven to be past failures. Tradeoff or compromise on decisions as a collective group to pursue new ventures while protecting genepools at the same time. Coordinating results--both good and bad--with the network so good is passed on and bad is not repeated. NETWORK is the key that opens the doors of opportunity for members of the group to be the best they can be without duplicating errors. NETWORKING brings community together for a common goal--breeding healthier and better quality Schipperkes!

LANDMARK encourages all Schipperke people from pet owner to accomplished breeders to obedience enthusiasts to supporters of our great breed to begin NOW to NETWORK together for harmony, cooperation, knowledge, mentoring, and assurance that the Schipperke will be bred to the standard (not our competition) and with 'form' and 'function' designed for our breed ever present without sacrificing our breed's 'type.' Collectively this sounds like a tall order to fill but our cause is worthy, has merit, and is proven to be successful time and time again. NETWORKING is fun, profitable for all in all areas of dogdom, and gives status to each member as a valued participant. It's a 'win-win' NETWORK of people collectively cooperating together for the good of our breed. One word says it all--NETWORK. A successful Specialty!

Open Senior Class

For boys and girls who are at least 14 years old and under 18 years old on the day of the show and who, at the time entries close, have won three First Place awards with competition present in a Novice Class at a licensed or member show.

Each dog handled in a regular Junior Showmanship Class must be entered in one of the Breed or Obedience Classes at the show, or must be entered for Junior Showmanship only. However, a dog that must be withdrawn for good and sufficient reason, such as a Bitch in Season, or a Veterinarian's excuse, may be replaced by another dog meeting the below ownership requirements. Such substitution must be requested in writing stating the reason for the substitution and must be accompanied by an official AKC entry form. All such requests must be made one half-hour prior to the judging of any regular classes at the show. Each dog must be owned or co-owned by the Junior Handler or by the Junior Handler's father, mother, brother, sister, uncle, aunt, grandfather, grandmother, including step and half relations or by a member of the Junior Handler's household. Every dog entered for Junior Showmanship must be eligible to compete in Dog Shows or Obedience Trials. BITCHES IN SEASON ARE NOT ELIGIBLE. A dog that has been excused or disqualified by a Breed Judge or by a Bench Show Committee may still be handled in Junior Showmanship if eligible to compete in Obedience Trials. A dog that has been rejected, dismissed, or excused by the Veterinarian for the protection of the other dogs at the show or for the protection of the dog excused may not be handled in Junior Showmanship.

Junior Handlers who win a third Novice Class, with competition present, after the closing of entries for a show may transfer their entry from the Novice Class to the Open Class provided that this transfer is made by the Superintendent/Show Secretary at least one half-hour prior to the scheduled start of any regular conformation judging or one half-hour prior to the start of Junior Showmanship judging at the show, whichever is earlier.

Junior Handlers must include their AKC Junior Handler identification number on the entry blank. You may obtain your number by calling the AKC Event Records Department at (212) 696-8281.

NOTICE: Be sure all information for Junior Showmanship Classes is entered on the front and back of the entry form.
