

**April 27, 1975**  
**2<sup>nd</sup> SCSC Specialty held a conjunction with the Santa Ana Valley Kennel Club**  
**Laura McNally, Reporting**

Our second annual Specialty drew an entry of 34, with but one absentee and that due to sudden illness in the family. There was also a champion entered for Junior Showmanship only and several schips in obedience only.

HeId as the classes of the 3000 dog Santa Ana Valley K. C all-breed event, the morning iudging drew a good crowd to ringside. The white cloth-covered trophy table highlighted by lifesize black schip silhouettes and letters, S.C.S.C. was visible clear across the field. The silver trophies glittered in the brilliant sun. Many compliments were heard on the class firsts - sliver champagne goblets with fancy twisted stems. A centerpiece of lovely Iris and Lilies, donated by "admirers" of the breed, added the finishing touch.

Our Hospitality Tent was in full swing and over 100 cups of coffee were rapidly drunk along with donuts and cakes. It was our first venture with a roped off area and our own dining canopy, oh yes, and gold and black banner proclaiming the Club Name.

Thanks to our Judge, Mrs. George Marmer and to all the exhibitors, especially those who made the long trip down from Central and Northern Cal.
